DSSC Data Space Initiatives Survey and Interviews

Data Space Initiatives Survey and Interviews

- First pilot of information collection from data space initiatives
 - **Pilot survey sent to ICT-13A and DT-ICT-05**
 - Launch in EBDVF 2022
 - **DL for answering the survey is December 9**
 - Selected projects may also be invited to be interviewed during December
 - Adjustments for future rounds based on experiences from the pilot
- ***Your input to the DSSC is essential and highly appreciated!***

Survey Topics

1. General questions about your initiative (6 questions)
2. Standards, specifications, and reference implementations (9 questions)
3. Business and governance issues (7 questions)
4. Legal issues (7 questions)
5. Synergies between data spaces (7 questions)
6. Any other comments about your initiative (1 question)
7. Feedback on the survey (3 questions)

Filling in the survey requires time and reflection!

- There are 40 questions in the survey
- Almost all questions are open-ended and require reflection
- If you use 3 minutes for each question it takes you 2 hours to fill in the survey
- You can move forward and backward in the survey, but it is not possible to save your answers in order to exit and resume at a later time
- Your answers are recorded only when you press submit in the end of the survey

- ***Please take enough time to reflect and fill in the survey properly!***
- ***Your input is crucial, and we are grateful for your time and effort!***
