

Agenda

Mobility and Transportation: Evolving Value Chains and Market Dynamics in
 the Computing Continuum
25 October 2023, 09:30 - 11:00

Time	Content	Speakers
09:30-09:35	Introduction	Carolin Zachäus , Innovation Consultant, VDI-VDE IT, EUCloudEdgeIoT
09:35-09:45	aerOS project	Ignacio Lacalle Úbeda , Researcher, Universitat Politècnica de València
09:45-09:55	Nephele project	Dimitrios Spatharakis , National Technical University of Athens
09:55-10:15	Panel discussion: "The Role of Research in Advancing the Computing Continuum and Green AI Technologies"	aerOS: Ignacio Lacalle Úbeda , Researcher, Universitat Politècnica de València Nephele: Dimitrios Spatharakis , National Technical University of Athens EMERALDS: Foivos Galatoulas , Project Manager & Research Scientist, INLECOM GREEN.DAT.AI: Despina Brasinika , Project Manager, INLECOM
10:15-10:25	EMERALDS project	Foivos Galatoulas , Project Manager & Research Scientist, INLECOM
10:25-10:35	GREEN.DAT.AI project	Despina Brasinika , Project Manager, INLECOM
10:35-10:55	Panel Discussion: "Enabling Start-ups and SMEs to pioneer the Computing Continuum Landscape"	
10:55-11:00	Wrap up
